stay back and proceed when
safe. When passing a piece
of equipment with a beacon
on please do so at the stated
60/km law.*

*When moving large
machinery be sure to have
your hazard lights on and
when available a pilot truck
ahead and behind to warn
other motorists utilizing the
public roads.*

*RURAL MUNICIPALITY
OF RIVERSIDE NO. 168
2019 SPRING
NEWSLETTER*

Although the RM of Riverside No. 168 has not implemented a fire ban as of today we do ask that everyone takes all the necessary precautions as certain areas are dry out there. Please watch Facebook, Website and other media for any Fire Bans that may be put into effect as we go further into summer.

Controlled Burns

If you are planning a Controlled Burn call the R.M. office at **626-3255** and Toll Free 911 Emergency Number **1-866-404-4911**. By providing the land location, a cell phone number and your general plan we can help to ensure that all goes smoothly.

All House Alarms that send out false alarms are charged a minimum of \$400.00.

FIRE CALLS: There will be a minimum charge of \$400 for false alarm call outs

Hay and Ditch Mowing

Producers can once again take advantage of free hay in Saskatchewan's provincial highway ditches.

Hay can be salvaged any time during the spring or summer months. Before and including July 8, landowners or lessees nearest/adjacent to the ditch have the first option to cut or bale material, but after that day anyone can cut and bale without permission from the property-owner, as long as no salvage operations have already begun. It is recommended that participants contact their local ministry office to provide contact information and limits on where they are salvaging hay to avoid disputes.

Hay must be cut at a uniform height in ditches and bales must be placed at least eight metres away from the shoulder of the highway. Bales must be removed by August 8, otherwise they may be subject to removal and disposal by the ministry. After August 8, bales must be removed immediately following haying operations. The ministry may also remove and dispose of hay bales in locations deemed unsafe for drivers.

2021 Road Construction

A total of 4.0 kilometers of road along the Sand Road will be under construction. The Construction is set to commence on June 1, 2021. This project will be incorporating gravel in with the clay in sections to help sections of the road hold up to the traffic and lengthen the life expectancy. The entire 4.0 kilometers will be undergoing a new clay cap top. This project will see approximately 20,000yds of clay. The project was approved in 2020 under the RIRG grant.

The road will be open to travel during the Project but you may experience delays as the project will require a lot of equipment.

The council would like to thank everyone for their patience while this much needed work is performed to this very important highly utilized road.

2020 Gravel Crush

The Council had 20,000yds of gravel crushed in November and December 2020. Thank you to Our four trucks and belly dumps along side Rock Solid we were able to have all of the crushed Gravel hauled up to our stockpiles by the end of January 2021.

Donations

The RM of Riverside has made a few donations in 2021 as follows:

Cabri Hospital Radiography - \$10,000.00

Pennant Skating Rink - \$7,500.00

STARS - \$2000.00

TRANSFER STATIONS

The RM of Riverside pays a portion of the costs with the Town of Cabri and the Village of Pennant for garbage bins located at the former landfill sites within the municipality. We have a large 30 yard roll off recycle bin located at the Cabri Transfer Station NW 32-18-18W3M.

Single Stream Recycling

Bins are located at both Transfer Stations

Single-stream recycling is a system in which all Recycle materials – fiber, plastics, tin and aluminum – are placed, unsorted, in the Blue Recycle Container.

The following is a list of items by area to help with knowing what to Recycle:

Laundry

Laundry soap containers
Spot remover bottles
Plastic hangers
Dry cleaning plastic bags
Bleach containers
Plastic laundry baskets

Bathroom

Shampoo bottles
Body wash bottles
Conditioner bottles
Plastic hair spray bottles
Plastic shaving containers
Toilet paper cores
Tissue boxes
Plastic pill bottles

Kitchen

Milk jugs & cartons
Creamer cartons & bottles
Paper egg cartons
Soup, Vegetable Cans, etc.
Aluminum and tin cans
Pie tins
Plastic juice bottles
Juice cans
Yogurt containers
Salad dressing containers
Cereal boxes
Pizza boxes – unsoiled

Office

Office paper
Catalogues, Phone books
Cardboard boxes
Scrap paper, sticky notes

*Please do not put the following in the Recycle Bin:
Glass, Styrofoam, ceramics, light bulbs, soiled cardboard, hazardous chemical containers, scrap metal, car parts, plastic toys or household garbage.*
